### WEST LONDON ENHANCED ACCESS HUBs

The Enhanced Access HUBs within the Royal Borough of Kensington & Chelsea offer our locally registered patients additional access to services in the evenings, weekends and bank holidays.

We provide a range of appointments at the HUBs that your GP practice can refer you into including:

- GP Appointments
- Nursing Appointments
- Blood Tests
- Medication Reviews
- Cervical Screening
- Childhood Immunisations
- Wound Care

To be referred into this service, please enquire about the Enhanced Access HUBs with your GP reception team today and they will be able to assist you.

If you need an appointment out of surgery opening times, please call NHS 111 who will also be able to refer you into the service.

Please note that walk-ins are not allowed within the Enhanced Access HUBs
